
ABOUT ME:

I am a USCG Licensed Master Captain & National Safe Boating Council Certified Boating Instructor. I provide hands-on boat training and captaining services with your boat at your location.

- Retired Military
- Graduate Degree
- Current Security Clearance

SERVICES:

- Hands-On Boat Training
- Introduction to Powerboating
- Precision Docking & Boat Handling
- Open Water Boat Handling
- Open Water Advanced Maneuvers
- Coastal Navigation
- Captaining / Piloting Service for Your Outings, Social Events or Parades

CERTIFIED INSTRUCTOR:

Don't overpay elsewhere. All training that is conducted by any qualified person or company is based off of nationally accredited and recognized content and curriculum developed by the National Safe Boating Council or the United States Power Squadrons. These are the only two companies that certify instructors. Not all USCG licensed captains are certified instructors; in fact, most aren't.
