To unite the Greek Diaspora.

To promote Hellenic ideals.

Mission

ABOUT US

THI Australia Foundation Limited (ACN 623 313 888) is a registered charity with the Australian Charities and Not-for-profits Commission (ACNC) with Deductible Gift Recipient (DGR) status.

The THI Australia Board comprises of volunteer directors from across Australia. All requests for funding by THI Australia are subject to a rigorous approval process. Following due diligence check conducted by THI Australia staff and local contacts in Greece, the Board approves all applications.

In 2023, THI Australia launched its Honorary Council to provide an exciting opportunity for it to build its success by bringing together eminent Greek Australians and philhellenes to assist us to continue to play a vital role in building a bright and secure future for Greece.

The Hellenic Initiative was founded in 2012 by Andrew N Liveris AO (President, 2032 Brisbane Olympic and Paralympic Games Organising Committee and former CEO and Chairman Dow Chemical Company) and leading members of the global Greek diaspora who felt compelled to respond to the economic and social crisis in Greece. Collectively, THI chapters in Australia, Canada, the USA, and the UK, have committed more than US\$20 million in crisis relief and economic and entrepreneurial development.
