

Target customer: Horse owners who love their horses like family. They wouldn't put their parents into an inferior retirement home receiving sub par care - they demand quality facilities and treatment. They have the same requirements for their retired horses.

Peaceful Pastures at 58 Acres

Draft Copy: Now available a premier retirement horse boarding facility, where luxury meets equestrian excellence! We have 6 available stalls, conveniently located in Summerfield, NC. Our facility offers top tier amenities where every detail is meticulously crafted to ensure quality care for your retired equine companions. From spacious stalls with back patios to lush pastures for gentle exercise, every detail is crafted to ensure well being. You have access to a world class riding arena with stadium lights, miles of trails through 58 acres, top quality feed and hay, and passionate, loving care from a staff with decades of experience.
