

**Managers constantly solve problems.**  
**The best managers always ask employees**  
**for ideas to help solve those problems.**  
 We help managers ask employees for ideas.

- IdeaMultiplier is simply the best way a manager can get more -- and better -- ideas from employees.
- The results speak for themselves: More+Creative ideas. Guaranteed: One will generate a 1,000% ROI!
- By using IdeaMultiplier, managers also build a team culture that encourages ideas and creative thinking.
