

# HOW IT WORKS

We simulate your design after 50% review changes, we simulate and provide the R1 results, designer implements changes, we recheck R2 simulation, then provide a press setup package to launch your tool quickly and easily.

## Standard Deliverables (New Tooling Simulation Services)

- ▶ R1 Simulation with CAR (Corrective Action Report)
- ▶ R2 Verification Simulation with CAR
- ▶ Press Setup Package (Step by Step Guide for initial launch of tooling)
- ▶ Additional items that may be included in standard service package

## DON'T WAIT!

Call us today to learn more about how we can partner with you on your next new tooling program. We guarantee you'll be happy you did.
