

# Dear Decorator,

I'm so excited to be here!

Thanks for letting me show up at your door naked like this! Just so you know, my lovely packaging is my suitcase not my home, could you please take me out as soon as I arrive and store me somewhere cool and dry.

*Thank you!*

*My suitcase, not my home :)*

## Tips to keep me moist and delicious:

- Place me in an airtight container away from strong odours. (we're looking at you, curry powder!)
- There is no need to refrigerate. Keep me at room temperature until I'm decorated.
- Saving me for another day? Re-freeze me until the frozen best-before date.
