

## REZULT GROUP

# COMPANY CULTURE

Our foundationally built team is our Company Culture.

### RESULTS

Positive results follow when the team is accountable for its successes and challenges. Results are measured based on the collective efforts of the team to build trusting, open relationships while moving together towards our goals.

### ACCOUNTABILITY

Each team member is accountable for their words, actions, success and challenges. We rely on each other as we grow for support and guidance.

### STANDARDS

Our standards define performance expectations and commitment to being great team members. We hold ourselves and each other accountable to these standards.

### COMMUNICATION

We believe in transparent, proactive, and unfiltered communication in order to foster an environment that allows everyone to focus on their goals and reaching for success.

### TRUST

Personal and Professional trust are essential. Trusting and being trusted to think team first and perform at a high level is our foundation.
