

RESULT GROUP

IT DIVISION OVERVIEW

Finding the right talent to meet your hiring goals can be daunting. Choosing the right staffing partner makes all the difference and gives you an advantage in your search for candidates. Result Group wants to work as your advocate and partner for IT staffing initiatives.

OUR OBJECTIVE

Our goal is simple, to consistently provide and retain the most qualified candidates for our clients. We work tirelessly to understand what our clients need and candidates want, to ensure only the best candidates are reviewed by our clients.

CLIENT SERVICES

Our IT recruiting team understands the challenges facing hiring managers and the need to find the right people quickly. Our dynamic processes scale to meet the needs of ever-changing business environments and requirements. When you need IT resources for project, permanent or consulting opportunities, Result Group is committed to providing innovative solutions that deliver consistent results.

RESULT GROUP ADVANTAGE

Your Result Group experience is so much more than just the resumes you review. As your partner, our expertise expands far beyond that.

Team: from our recruiting to our operations staff, our team is dedicated to placing candidates in positions that meet their professional goals.

Experience: we started this company from the ground up nearly 20 years ago with the intention of building strong business relationships with IT professionals and clients alike, for mutual success.

Network: our network of highly skilled IT professionals is always growing. We take the time to get to know each professional, their goals and work experience to ensure we only share the best matches for each job opening.

Internal Processes: everything we do is driven by our desire to provide the highest level of service and we are vigilant to ensure our internal processes provide maximum efficiency. We constantly review our metrics to ensure we provide the best value to our clients. As your partner, we will gladly review these metrics with you.

Strategic Partnerships: we align with vendors who share our values to provide excellent customer service and innovation that enhances the client and consultant experience.

Multiple Verticals: we provide expert staffing services in essential verticals, including for the accounting, finance, IT and Healthcare IT.

OUR STAFFING MODEL

Rezult Group delivers the right staffing resources to meet your IT goals. Your dedicated team is committed to matching you with top talent to meet budget and staffing requirements, while maintaining consistency and communication throughout the process.

We take the time to get to know you, your organization and culture to ensure we recruit the right professionals for your team. Then we take the same amount of care as we interview candidates, so you only meet with individuals with the right skill sets and career goals.

From hiring strategy to recruiting and beyond, our team works to ensure a successful client experience and act as a resource in your hiring strategy.

TRANSPARENT RESULTS

Transparency and communication are at our core and you can expect to have one point of contact, fast feedback and open dialogue with our team throughout the recruiting process.

Our success of matching the right candidate with the right placement is reflected in our metrics, which are closely monitored and shared with clients to ensure we always provide the best service.

Candidate Accuracy Rate: percentage of presented candidates who interview

Fulfillment Ratio: percentage of requests fulfilled vs. the competition

Interview to Hire Rate: percentage of interviewees who are hired

Time to Fill Ratio: time it takes from initial request to candidate presentation

Placement Success Rate: customer satisfaction for each placement

Total Billing: total services billed per quarter
