

WHY MINING CAMP FURNITURE

At Mining Camp Furniture we bring a unique set of skills harnessed to take your Village living experience to the Next Level. Utilising 40 years of experience throughout the Asia Pacific, and now UAE, we combine our skills as furniture & joinery manufacturers in the Hotel and accommodation sector, with our expertise in furniture project delivery to mining and worker's camps.

We work with You to create comfortable and efficient living spaces for your workforce. We don't just offer a fixed library of 'off the shelf' furniture solutions. We work directly with your Company's stakeholders to build a suite of products, specific to your operational requirements, budget, brand, and Village vision.

We executive simple, fit for purpose designs that elevate your space.
