

Design Idea – Curvy Brown Bunny Girl relaxing in a bowl of cereal

Design Inspirations

Two Cereal Box T-Shirt Designs

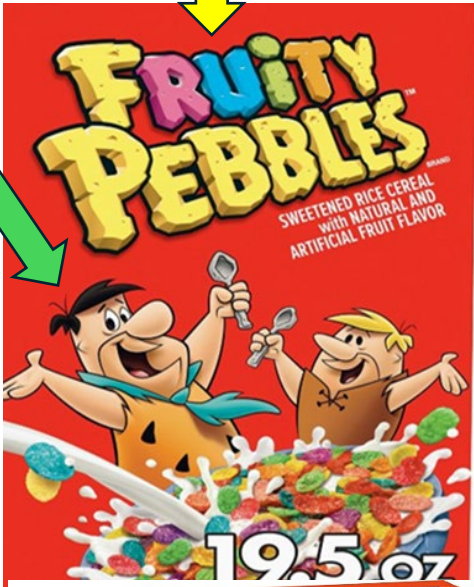

Thicc Treats at the top replacing the (Reese's Puffs & Fruity Pebbles) in the style of the Hollie Berry image (Remove the cake and cherry)

Curvy Brown Bunny Girl similar in design to Lola Bunny laying in an oversized bowl of cereal.

Bunny character needs to be more covered than the examples but, still showing curves (a bikini or whatever the artist can think of)

The Cereal will be shaped like a peach emoji in the colors of chocolate and peanut butter like the Reses Puffs and in different colors like Fruity Pebbles

Milk needs be splashing out of the bowl like in the examples

Bunny Character needs to be as beautiful as the Winner of my last Project
