

# The new SturdiBag

## PRO 2.0

FLEX-HEIGHT PET CARRIER

Award winning washable SturdiBag™ is uniquely constructed with top quality, durable materials and is the lightest weight professional grade carrier on the market.

The patented "flex height" design allows the top to flex without collapsing, allowing the carrier to conform to the under seat height of all airline seats. Available in 5 sizes and 2 divided models, SturdiBag is offered in a multitude of solid colors and Limited Edition Prints.
