

Background:

Remember when you had to remove that coffee stain or “pet accident” from your carpet or couch and nothing took it out? Your cleaner wouldn’t remove the stain—or worse—left a residue that made it even worse.

SPOT SOLUTION was developed by a professional carpet cleaner for professional carpet cleaners...and now with over 1 million yards of clean carpet later...this miracle solution is offered to you as a DIY.

Additionally restaurants, golf/country clubs, adult living facilities, or property/janitorial management firms use **SPOT SOLUTION** to clean large areas or commercial spaces in a steam extraction machine.

Our product is available at fine retailers from Rhode Island to Florida in 8oz, 32oz, 1 gallon, and 5 gallon sizes. Or visit our website: www.outwithspot.com

What Users Say:

*“Your **SPOT SOLUTION** is a routine part of my life and works wonders. My husband knocked over a glass of red wine onto our light-color carpet. With your product I was able to remove all of the **MANY** stains.”*

—Nancy B.—Mt. Kisco

*“I am so thrilled with **SPOT SOLUTION**. It removed lipstick and marker drawings... my white couch looks like new!”*

—Susan O.—Rye

*“With other cleaners I’ve used, stains would come back. **SPOT SOLUTION** made the stains go away and stay away!”*

—Gene S.—Ridgefield

Questions & Answers

Q. Will *SPOT SOLUTION* pick up pet stains?

A. Yes, it sanitizes the soiled area so your pet doesn’t return and repeat the accident.

Q. How about blood?

A. Just follow the directions and the blood stain disappears.

Q. Is *SPOT SOLUTION* non-toxic?

A. Yes, it is safe to use around children and pets.

Q. Can *SPOT SOLUTION* do room-size carpet cleaning jobs?

A. Yes, use in steam extraction machines. Follow the directions on the label.

Q. Will *SPOT SOLUTION* remove old stains?

A. Successful spot removal has occurred with stains of ten years or more.

Q. Is *SPOT SOLUTION* safe for upholstery?*

A. Yes it won’t leave any residue.

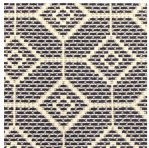

*Not recommended for tencel, viscose, silk or worn fibers/fabrics; consult a professional.

SPOT SOLUTION®

**A NO SOAP, NO FOAM,
NO RESIDUE CARPET
AND UPHOLSTERY CLEANER**

DIRECTIONS

Always test first in an inconspicuous area.

Carpets

1. Pour Spot Solution onto white cloth.
2. Press wet cloth onto soiled area until solution is transferred.
 - a. For synthetic fibers*, rub gently back and forth.
 - b. For wool, blot gently (to avoid nap distortion or fuzzing/pilling).
3. To dry, blot with dry white cloth.
4. Check for soil transfer on cloth, continue slowly until soil has been fully transferred to cloth. If there is no transfer, stop.

Upholstery

1. Same as above.
2. To dry, rub gently with clean, dry cloth.

*Not Recommended for tencel, viscose, silk, or worn fibers/fabrics: consult a professional.
