

## YOUR PRIVATE PHYSICIAN ✓ WELCOMING NEW PATIENTS TODAY!

Concierge Medicine values your goals, time and health. At Your Private Physician, we focus on individualized care and take insurance algorithms out of the equation. We use cutting edge technology and tests that make sense for you and your health care goals. If you want easy access to your doctor, comfortable one hour or more visits, flexibility of meeting via zoom, on phone or in office, call today 727-669-1616 and speak to Emily to schedule your free half hour consultation with our doctors. You can meet our friendly and knowledgeable team and see our office space.
