ACTIVATION TIME: 0-5 MINUTES

ZILLA'S™ Skin Cream Par Excellence contains valuable  
botanical oils in a synergistic blend designed to optimize  
it's beneficial capabilities. This deeply satisfying cream  
delivers a downpour of soothing relief complemented by  
our signature cedarwood and bergamot fragrant oil blend.  
It begins to absorb as soon as it is applied, bringing a variety  
of bioactive molecules with incredible healing and  
nourishing properties. The results, often called phenomenal,  
speak for themselves.

How to Use: Apply generously onto skin and massage until  
absorbed. For maximum effect, use daily -  
mornings and evenings - and as needed for deep relief.

Care Instructions: Use a clean utensil to remove desired  
amount and prevent contamination. Store in a cool area  
away from light. Refrigeration is not necessary, but  
significantly prolongs preservation of the natural compounds.
