ZILLA'S

ZILLA'S

HIGHLY EFFECTIVE THC RELIEF CREAM

ZILLAS™ THC Relief Cream combines valuable botanical oils in a synergistic blend designed to optimize it's beneficial capabilities. This deeply satisfying cream delivers a downpour of soothing relief complemented by our original signature aroma. It begins to absorb as soon as it is applied, providing natural vitamins, minerals, antioxidants and cannabinoids to your skin. The results, often called phenomenal, speak for themselves.

How to Use: Apply generously onto skin and massage until absorbed. For maximum effect, use daily - mornings and evenings - and as needed for deep relief.

Care Instructions: Use a Clean Utensil to Remove the Desired Amount and Prevent Contamination. Store in a Cool Area Away from Light. Refrigeration is Not Necessary, but Significantly Prolongs the Preservation of the Natural Compounds.
