

## ***Packaging 2 - Ecopurity Dishwashing Sheets***

### EFFICIENT CLEANING, ECO-FRIENDLY INGREDIENTS

Our advanced enzyme-powered formula cuts through grease and grime, delivering a spotless shine while being gentle on the planet.

### EASY, NO-MESS SOLUTION

Forget the mess of liquids and pods. These pre-measured sheets offer a clean, convenient, and waste-reducing way to get your dishes sparkling.

### HOW TO USE

For Dishwashers:

- Place a single sheet into your dishwasher's detergent compartment.

For Dish Drawers:

- Tear one sheet in half and place it in the cutlery tray. If excess foam forms, use a smaller portion next time.

For Hand Washing:

- Drop a sheet into warm water, let it dissolve, and wash your dishes.

### LOAD SIZE GUIDE

- One sheet for full loads or hand washing.

### OUR COMMITMENT TO THE ENVIRONMENT

- No phosphates, dyes, or bleach
- Greywater and septic system safe
- 100% plastic-free, biodegradable packaging
- Made with eco-friendly ingredients

### WHAT'S INSIDE

Our formula is powered by natural, non-toxic ingredients like:

- Sodium Dodecyl Sulphate
- Aqua
- Decyl Glucoside
- PEG-7 Glyceryl Cocoate
- Cocamidopropyl Betaine
- Cocamidopropylamine Oxide
- Coconut Oil Monoethanolamide
- Glycerin
- Alcohols, C12-18, Ethoxylated
- Perfume
- Sodium Carbonate

#### STORAGE & SHELF LIFE

- Store in a cool, dry place, away from direct sunlight.
- Keep box closed to preserve freshness.
- Shelf life: 2 years from the production date (check box for details).

CAUTION: Do not ingest. Keep away from eyes. If contact occurs, rinse immediately and seek medical attention if needed.

#### OUR PROMISE

At Ecopurity, we are committed to delivering high-quality products that support a sustainable future. By switching to our dishwashing sheets, you're making an environmentally responsible choice without sacrificing performance.

## ***Packaging 2 - Ecopurity Laundry Sheets***

## STAIN-FREE AND PLANET-FRIENDLY

Tackle stubborn stains with our plant-based enzyme formula. It delivers exceptional cleaning power while remaining gentle on the environment.

## CONVENIENT, NO-MESS CLEANING

Simplify laundry day with our pre-measured sheets—no spills, no measuring, just effective cleaning and minimal waste.

## DESIGNED WITH THE EARTH IN MIND

- Biodegradable and safe for the environment
- Compatible with septic tanks and greywater systems
- Free of phosphates, optical brighteners, and bleach
- Low-suds formula, ideal for high-efficiency washing machines

- 100% vegan and cruelty-free

## HOW TO USE

For Standard Loads:

- Use 1 sheet for an average load of laundry.

For Larger Loads or Heavier Stains:

- Add 2 sheets for enhanced cleaning power.
- Suitable for both hot and cold washes and compatible with HE and standard machines.

## INGREDIENTS YOU CAN TRUST

We use carefully selected ingredients, including:

- Deionized Water
- Polyvinyl Alcohol
- Sulfuric Acid, Mono-C12-14-Alkyl Esters Sodium Salts
- AOS
- Glycerol
- Fragrance
- Enzymic Ingredients

## STORAGE & SHELF LIFE

- Store in a cool, dry place, away from sunlight.
- Close the box tightly after use to keep the sheets fresh.
- Shelf life: 2 years from the production date (check packaging for details).

**CAUTION:** Do not ingest. Avoid contact with eyes. If contact occurs, rinse with water and seek medical attention if necessary.

## OUR COMMITMENT TO SUSTAINABILITY

Ecopurity is dedicated to providing eco-conscious cleaning solutions that protect the environment. By choosing our laundry sheets, you help reduce waste and make a positive impact on the planet.
