

Note: this is heavily inspired by the design, format and flow of <https://www.dotcomsecrets.com> (because it works). We don't have to look exactly like that - but this is written so we can. We definitely should not try to reinvent the wheel though - so I'd say Russell + with a clear splash of WealthFit style

You Might Be Asking Yourself...

“Is This Book For Me?”

Get WealthFit Is For You...

- **You're trapped in debt** and tired of watching interest payments drain your hard-earned money every month.
- You're part of the 60% of Americans who worry they won't have enough for retirement - or worse, the 20% with **no savings** at all.
- You're **stuck in the paycheck-to-paycheck grind** and want to break free to finally get ahead.
- You feel like you're **falling behind financially** and aren't where you thought you'd be at this stage in life.
- You want to create passive income streams that allow you to **earn money while you sleep**.
- You dream of building **long-term wealth** but don't know where to start or how to make it happen.
- **You're tired of struggling with financial stress** and are ready for a clear, proven plan to take back control of your money.
- **You want more freedom and options in life**—to retire early, travel, or provide a better future for your family.
- **You crave actionable, practical advice** that doesn't feel overwhelming or out of reach.

If any of these speak to you, Get WealthFit! is your ultimate guide to taking back control of your finances, building lasting wealth, and unlocking the freedom you deserve.

<p>Note From The Author, Dustin Mathews:</p> <p>“This book can completely <i>transform your financial future</i>. Whether you're drowning in debt, struggling to save, or dreaming of passive income, <i>Get WealthFit!</i> gives you the step-by-step system to take control of your money, create multiple income streams, and build long-term wealth. You'll even discover how to stop working for money—and start making your money work for you.</p> <p>I wrote this book because I've seen firsthand how the lack of financial education holds people back from living the life they deserve. At WealthFit, our mission is to revolutionize financial education and empower people to build true wealth. This isn't about spreadsheets and boring budgets and it's definitely not about giving up the things that make you happy — it's about real transformation. My goal is to give you the tools to eliminate financial stress, unlock your full potential, and live a life of abundance.”</p> <p>— <i>Dustin Mathews, Author of Get WealthFit! and Co-Founder of WealthFit</i></p>	<p>[Pic of Dustin - potential with the book]</p>
