Our process is simple, fast, and most importantly: effective. One call, and we take it from there. From your healthcare facility to their home, we're there every step of the way.

DOVETAIL

BRIDGING GAPS. IMPROVING LIVES.

REVOLUTIONIZING POST-ACUTE CARE.

ONE PATIENT AT A TIME

Because every patient deserves a seamless recovery.

ABOUT DOVETAIL

At Dovetail, we don't just bridge the gap. We transform the journey into a smooth, seamless experience, from the moment a patient discharges from your facility until their appointment with a primary care physician. For Medicare beneficiaries, that's life-changing.

Delivering personalized, seamless care that empowers patients, reduces readmissions, and ensures smooth recovery from healthcare facility to home

OUR VISION

To make the healthcare experience for every patient as fluid, efficient, and compassionate as possible. Through cutting-edge care and seamless coordination, we ensure patients recover faster, stay healthier, and never lose sight of their well-being.

Seamless Transition

We ensure smooth facility-to-home transitions with no gaps in care, prioritizing patient outcomes.

Prescription Refills

We handle refills for non-controlled prescriptions, ensuring your patients have what they need to recover.

Reduced Readmission Risk

We minimize readmission risk with proactive care, enhancing outcomes and supporting value-based care goals.

VNA Order Sign-Off

We sign off on VNA orders, streamlining the process and ensuring seamless home care coordination.

Streamlined Referral Process

Easily refer patients with a fast, simple process that ensures seamless transitions in care.

Patient Education

Empowering patient's with information to make informed decisions about their health.
