About us

The British & Colombian Chamber of Commerce stands as a leading international business organisation, uniting members committed to responsible economic and social development, open markets, and the principles of the rule of law and democracy. Its membership comprises prominent global companies across a diverse range of sectors, including banking and finance, consulting, consumer goods, energy and mining, manufacturing, media, technology, and infrastructure. Through this broad spectrum of industries, the Chamber fosters a collaborative environment where leaders work towards sustainable growth and mutual prosperity in both the UK, Colombia and Latin America.

[MEET OUR MEMBERS](#)

What our members and clients say about us

"The Meet the Buyer Latin America event organised by the British & Colombian Chamber is by far the best on-line event I have attended since I have been Export Manager at Sheppy's Cider (close to 5 years"

Alex Sheen-Head of Sales , Sheppy's Cider

"Thanks for organising the session. The O&G company for which I am currently CFO is listed on the AIM in London and is willing to enter the Colombian O&G market. May 2021"

Delegate from our CEO Executive Oil Roundtable"

"We want to congratulate the B&CCC for creating this initiative (Responsible Business Awards), which is of great value for companies, such as Drummond Ltd, that have developed responsible business practices, aligning their social, environmental and sustainability efforts (...) for us is important to participate in this spaces, to learn about other companies in Colombia and the UK that also are working hard to carry out sustainable operations."

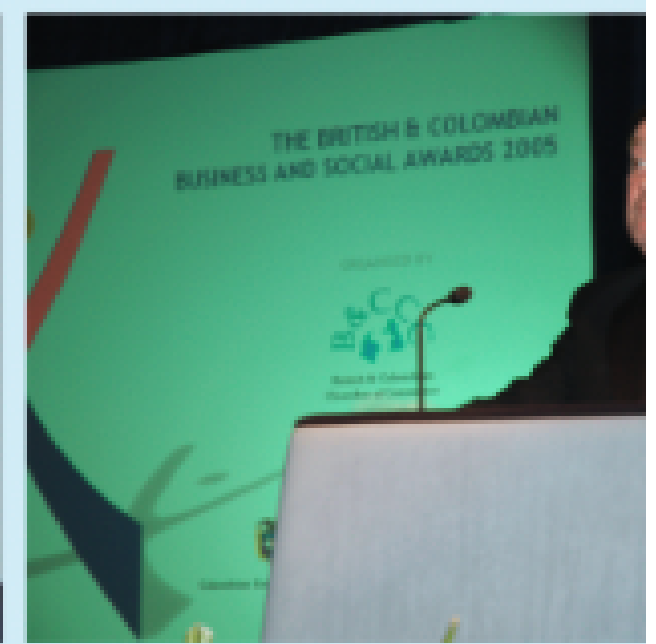

Drummond Colombia

Attend our initiatives

All our forthcoming, on-demand events, and partner events, gather prominent figures in politics and business alongside experts from our membership to discuss and propose solutions on the prevailing economic, political, and business matters that enhance the relationship between the United Kingdom, Colombia, and Latin America.

The Chamber has pioneering key activities that have a direct effect in enhancing investment and trade relations some of those are included below.
