

Hi JanuXart, please make the following adjustments so we can see what this would look like:

- Please use Design #35151826 as the base design, and  
Replace that first page with the first page of Design #35151865  
Replace the second page with the second page of Design #35151902

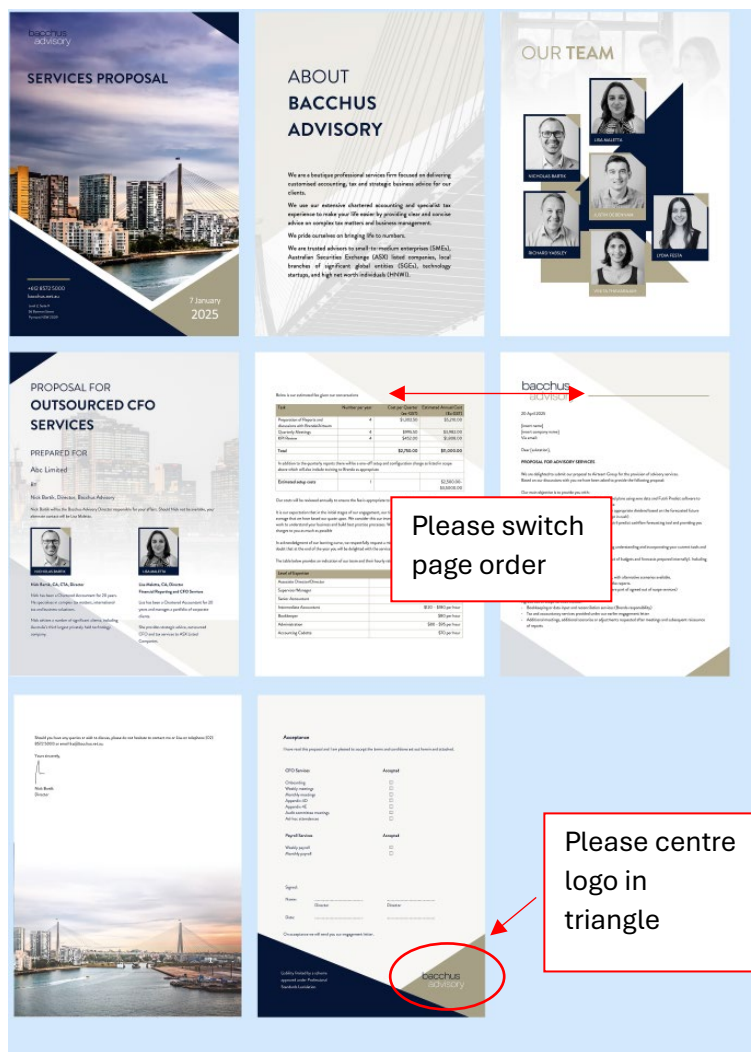

Please also make the following adjustments:

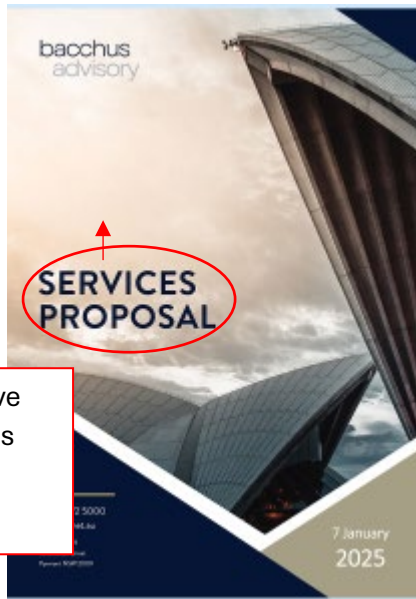

- Centre each team member's name under their photo throughout the document
- See others shown below

Please confirm the font used is Calibri.

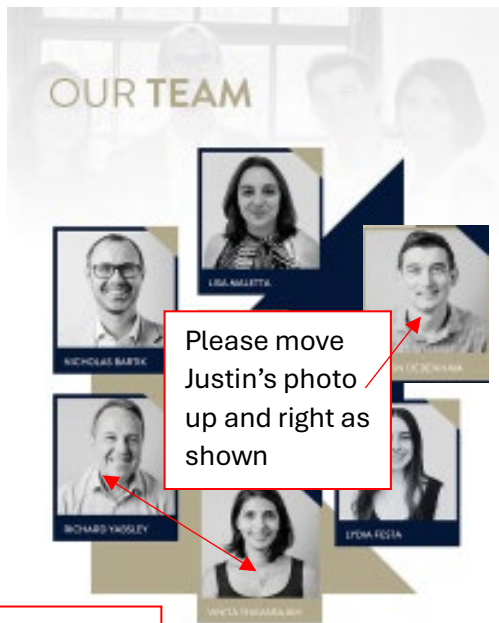

Please also confirm that we are able to edit the document.

See adjustments to this Our Team page in detail on page below

Please move these words up slightly higher

Please move Justin's photo up and right as shown

Please swap Richard and Vinita
