

Get 30 Days of Concrete Coating Leads for \$97 (+ Ad Spend)

Get 30 days of concrete coating lead generation for just \$97 plus ad spend—no contracts, no fluff, just results. We'll set up and manage your Facebook and Instagram ads, send exclusive leads directly to you, and even integrate with your CRM if needed.

Who We Are

We specialize in lead generation for concrete coating companies across the U.S. We cut through the marketing fluff and focus on what matters—getting you real, exclusive leads that turn into jobs. With proven ad strategies and seamless follow-up systems, we make it easy to grow your business without the guesswork.

How It Works

We set up and run Facebook & Instagram ads for your business.

Custom campaigns built for concrete coating companies. No guesswork- just a proven system to generate high-quality leads.

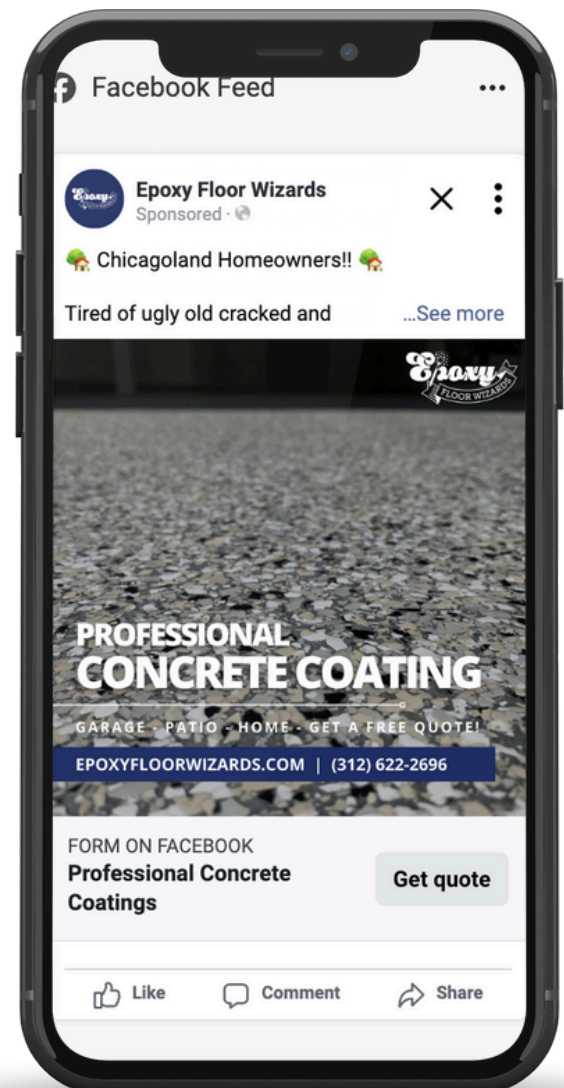

Leads are sent directly to your phone and email.

No shared or recycled leads. Get real homeowners delivered instantly via text and email.

We integrate with your CRM and track the leads

Stay organized and never miss an opportunity. We connect with your existing CRM or provide tracking to manage follow-ups.
