The Perfect Pillow for a Better Night's Sleep

Adjustable for all sleepers.

Everyone sleeps differently, so why should you settle for a one-size-fits-all pillow? With the Cloud 9 Pillow you can add or remove filling to customize the pillow's height and firmness to match your sleep style - perfect for side, back, and stomach sleepers.

Cloudlike comfort.

Engineered to deliver better sleep with CLOUDcomfort Fill, a special blend of gel-infused memory foam and microfiber clusters. Cradles your head, neck and shoulders to help relieve pressure points that cause pain. Maintains its shape – never goes flat.

Stay cooler.

Designed to keep you cooler with SleepKool Technology. Featuring temperature regulating materials that draws heat away from your body - keeping you comfortably cool all night.

Sensitive skin safe.

Hypoallergenic bamboo rayon cover is perfect for sensitive skin. Softer than silk and cooler than cotton, ensuring you an allergy free restful night's sleep. Machine wash to keep it fresh.
