WHO WE ARE

At Physiatry Associates of Texas (PAT), we specialize in managing acute inpatient rehabilitation facilities (IRFs) across North Texas.

Providing direction and leadership to award-winning rehabilitation programs in Texas.

BENEFITS OF JOINING OUR TEAM

- **Comprehensive Practice Opportunities:** Engage in both Inpatient rehabilitation and outpatient clinics.
- **Long Term Stable Census**
Our closed units provide greater control over patient care and outcomes with predictable workflow and rounding structures.
- **Flexible, Independant Practice Model.** Experience autonomy within established hospital affiliations.
- **Collaborative Environment**
Work alongside experienced physicians with excellent support from leading acute care hospitals.
- **Attractive Compensation Package.** Enjoy a generous income guarantee, RVU bonus structure, and relocation assistance.
