TEXAS RECIPE

## OUR STORY

At El Picante, our mission is simple: to craft small-batch salsas using only real ingredients and bold peppers that bring the heat and the flavor.

Born in a home kitchen and perfected over time, El Picante's tale started with a love for spice and a passion for sharing great food. Every jar reflects that journey — crafted with care, refined through experience, and made to bring bold flavor to every table.

*Real Heat.*
