

Project Overview: This is a partial wrap design for a grey Renault Traffic Van. (Image attached) The original grey paint color of the van will be the background. The design should be very clean with no images, using only text, graphic elements and provided logo. The logo should dictate the tone of the desired design.

Company Information:

- **Company Name:** G Force Modul or shorter as per Logo (g-fm.ie)
- **Company Description:** Construction company that offers General Contractor Services

Design Tone:

- Clean, professional, and modern.
- No photographic images or complex illustrations.

Design Elements:

- **Typography:** Use a clean, legible font that match the Logo font.
- **Color Palette:** Use a limited color palette that complements the grey van.

Van Layout:

Both Sides of the Van:
