Our Promise to Chiropractors

- No Rerouting: Patients are never redirected outside your care.
- You remain the lead provider, we simply add specialty support.
- Settlement protection and equal reductions guaranteed.

You Stay in Control

- Patients are never rerouted to PT or other chiropractors.
- You remain the primary treating provider — we simply add pain management and neurology when needed.

Settlement Protection Made Simple

- Our lien system protects your patients at settlement.
- Reductions are fair and equal across all providers — you'll never be undercut.

A True Partnership in Care

- APS pain specialists and Neuromed neurologists collaborate with you, not over you.
- We align treatment plans with your clinical direction, ensuring continuity of care.

Communication That Builds Trust

- Real-time updates and prompt reports (MRI, neurology, pain management).
- Attorneys and patients stay informed without extra work on your end.

Added Value for You, Your Patients & Attorneys

- Stronger documentation = stronger legal cases.
- Attorneys know referrals through APS & Neuromed come with litigation-ready support.
- Your patients get complete care under your umbrella.

- Patient stays under your care
- Settlement is protected
- Legal cases are strengthened

Atlanta Pain & Spine | Neuromed USA

Your trusted partners in specialty care — helping you protect patients, grow your practice, and strengthen attorney relationships.
