It all started in 1982 with the Tint World® name and concept to provide revolutionary-renowned, top-of-the-line window tinting service. With a passion for cars, and a vision to create a first-class window tinting service, the first Tint World® was born in Tamarac, Florida.

Today, the "Tint World® Franchise System" is revolutionizing the Automotive Accessories and Window Tinting. With over 250 locations open Tint World® has become a "world-class place" for drivers to bring their vehicles for quality products and services designed to personalize their ride with style, protection, comfort, safety, and enhanced performance.

## Ceramic Coatings

Ceramic coatings are liquid polymer coatings that bond to a vehicle's painted surface. They give your car a deep, glossy finish that reflects light and makes your paint look more vibrant while greatly extending the paint's lifespan.

- ✓ Protects from UV Damage, Oxidation, Acid Rain
- ✓ Ultra-Glossy Appearance
- ✓ Super Hydrophobic Properties
- ✓ Self-Cleaning Properties

## Window Tint

Window Tint provides you and your family complete ultraviolet protection, reduced heat transmission, increased interior comfort, enhanced glare-free lighting, and additional safety like never before. Computer cut for an exact fit and the industry's top film ensures the highest quality. No one does it better. It's in our name!

- ✓ Advanced UV Protection
- ✓ Heat and Solar Rejection
- ✓ Computer Precision
- ✓ Reduce Glare and Eye Fatigue

## Paint Protection Film

Paint Protection Film (PPF) is a transparent, thermoplastic urethane film that is applied directly to the car's painted surfaces. PPF excels at shielding your vehicle from rock chips, scratches, and other physical damage. It has self-healing properties that can repair minor scratches and swirl marks over time.

- ✓ Extreme Scratch and Chip Resistance
- ✓ Repels Salt, Insects and Road Debris
- ✓ Hydro Resistance Repels Water and Dirt
- ✓ Self-Healing Scratches and Swirl Mark

## Audio & Electronics

Whether you're looking for a basic upgrade to your factory system or a full-blown competition system – we've got you covered from mild to wild. We stock the most popular products, including stereo head units, speakers, sub-woofers, amplifiers, video monitors, and custom sound systems.

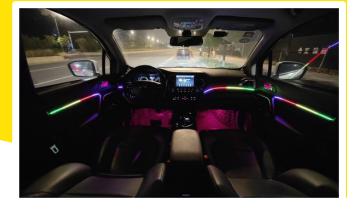

- Remote Starts
- Dash Cams
- Security Systems
- Back Up Cameras
- Advanced Radar Detectors

## Vehicle Wraps

Vinyl wrap installation will transform your car, truck, or SUV to reflect your style. We have tons of car wrap color options and finishes. Whether you're looking for matte, glossy, pearl, chrome, or metallic finish, we offer hundreds of options to choose from.

- Chrome Deletes
- Custom Designs
- Premium Vinyl – 3M, Avery, Orafol

## Lighting Options

We have all you'll need for advanced car lighting, including Smart LED kits, underglow, headlight upgrades, lights bars and more. Create an exciting and unique look for your ride.

- Interior Ambient
- Underglow
- Chasing Flow Designs
- Smart Phone Control
- Headlight LED Upgrades
