{tag line) "Jewelry from the Heart."

OR "Jewelry from the Heart of the Earth." ????

Marilyn's jewelry features elements hidden in the earth, forged by nature, discovered by man and formed into beads and objects of beauty and delight.

My mission is to share my love of nature by creating beautiful jewelry that combines these elements from the heart of the earth to express the joy of life and to delight the wearer.

Marilyn's collection of one-of-a-kind and limited-edition necklaces, bracelets and earrings are perfect for any woman of discriminating taste.

Marilyn's jewelry symbolizes unconditional love, empowerment, and limitless possibilities.

Marilyn design and creates beautiful pieces of jewelry for women who want unique, yet wearable pieces that will be favorites for years to come. Each piece is handcrafted using beads, semi-precious stones and pendants Marilyn has collected from her travels around the world.

"Where in the World is Marilyn?" will highlight beads and elements from the different parts of the world. Marilyn's love of travel has led her to create opportunities to experience many diverse cultures and meet wonderful people.
