OUR PRODUCTS & SERVICES

Pumps & Systems

- | | |
|----------------------|--------------------|
| ■ Vertical Pumps | ■ Rotary Lobe |
| ■ Split Case | ■ Peristaltic Lobe |
| ■ ANSI | ■ Booster |
| ■ Non Clog | ■ Grinder |
| ■ End Suction | ■ Commercial Water |
| ■ High Temperature | ■ Submersible |
| ■ Fiberglass Pumps | ■ Self Priming |
| ■ Magnetic Drive | ■ AODD |
| ■ Progressive Cavity | ■ Booster Skids |
| ■ Metering/Dosing | ■ Dosing Systems |

Pumps For Every Process

Blowers & Packages

- | | |
|----------------------|-------------------|
| ■ Eurus Blowers | ■ Lubrication |
| ■ Roots Type Blowers | ■ Filters |
| ■ Economy Packages | ■ Belts & Sheaves |
| ■ Standard Packages | ■ Silencers |
| ■ Sound Enclosures | ■ Relief Valves |
| ■ Industrial Fans | ■ Rebuilds |

Process Blowers

Fire Protection

- | | |
|-------------------|---------------------------|
| ■ Fire Pumps | ■ Skid Packages |
| ■ Jockey Pumps | ■ Fully Enclosed Packages |
| ■ Electric Motors | ■ Service & Repair |
| ■ Diesel Engines | |
| ■ Controllers | |

Motors, Drives & Controls

Process Monitoring

Pressure & Temperature Measurement

- | | |
|-----------------------------------|---------------------------|
| ■ Pressure Gauges | ■ RTD Temp Sensors |
| ■ Pressure Transmitters | ■ Thermowells |
| ■ Diaphragm Seals | ■ Bimetallic Thermometers |
| ■ Pressure Switches | ■ Thermocouples |
| ■ Digital Industrial Thermometers | ■ Seal Repair Program |

Flow & Level Measurement

- | | |
|-------------------------------|-----------------------------------|
| ■ Electromagnetic Flowmeters | ■ Radar Level Transmitters |
| ■ Coriolis Mass Flowmeters | ■ Guided Radar Level Transmitters |
| ■ Ultrasonic Flowmeters | ■ Ultrasonic Level Transmitters |
| ■ Thermal Mass Flowmeters | ■ Submersible Level Transmitters |
| ■ Diaphragm Level Measurement | ■ Vibration Level Switches |

Valves, Automated Valves & Control Valves

Pressure & Temperature
Measurement

- Brass Products
- Lead Free Valves
- Stainless Steel Valves
- Deadman Spring Return
- Threaded
- Flanged
- Butterfly
- Pneumatic Actuators
- Electric Actuators
- Packages

SERVICE & REPAIR

Pump, Blower & Valve Repair

- NO FEES to evaluate your equipment
- Factory trained technicians
- Detailed evaluation reports
- Repair / xchange credits
- Pick & delivery service
- New Warranty, one year parts and labor

Fire Pump Service

- Fire pump repacks / overhaul / testing *most fire pump manufacturers
- Control panel troubleshooting and repair (common makes and models)
- Motor repair and replacement
- In-stock fire pump parts for all Peerless / Grundfos pumps
- Jockey pumps and jockey pump controllers in stock
- Testing equipment: Hoses, Pitot tubes, tachometers

ENGINEERED SYSTEMS & PRODUCTS
