## Creating Comfortable and Welcoming Spaces for Aged Care Facilities

At AJ Blunt Painting, we understand that aged care facilities require more than just a coat of paint—they need environments that feel warm, safe, and familiar. With over 40 years of industry experience, our Adelaide-based, family-owned business specialises in delivering high-quality painting and maintenance services tailored specifically to the needs of aged care providers.

We take pride in our client-focused approach, ensuring every project is handled with sensitivity, care, and attention to detail. Our team is committed to delivering exceptional results while minimising disruption for residents and staff.

From the initial consultation through to project completion, AJ Blunt Painting provides a seamless, professional service that prioritises quality, cleanliness, and safety. When you partner with us, you can trust that your facility is in expert hands.

### AGED CARE SPECIALISTS

Aged care paint maintenance requires specialised knowledge and attention to detail. We work with facility managers to create safe, clean, and welcoming environments, using low-odour, eco-friendly paints to minimise impact on residents.

Our services include interior and exterior painting, touch-ups, and regular maintenance to keep your property looking its best.

### 24 HOUR QUOTE TURN AROUND

We understand the importance of timely decision-making for aged care facilities. That's why we provide detailed, transparent quotes within 24 hours of your consultation, ensuring you have the information you need to move forward confidently.

### PROFESSIONAL PROJECT MANAGEMENT

Painting in aged care facilities requires careful planning and clear communication. With Zac our project manager overseeing every stage, we ensure your project runs smoothly, adheres to timelines, and respects the needs of your residents.
