Elevate your property with AJ Blunt Painting, Adelaide's trusted specialists in facilities maintenance painting. From scheduled maintenance repaints to full interior and exterior upgrades, our experienced team ensures your assets remain protected, compliant, and looking their best

FACILITIES MAINTENANCE PAINTING SPECIALISTS

We understand that every facility has unique requirements. Our team partners with you to provide tailored painting solutions that support the ongoing upkeep, safety, and presentation of your property. Whether it's scheduled maintenance repaints, touch-ups, or full-scale upgrades, we deliver long-lasting results that protect your assets and create a welcoming environment for staff, clients, and the community.

24 HOUR QUOTE TURN AROUND

We know how critical timing is for projects. That's why we provide comprehensive, transparent quotes within 24 hours of your consultation, helping you plan confidently and keep your operations running smoothly.

PROFESSIONAL PROJECT MANAGEMENT

Facilities maintenance painting often requires careful coordination around tenants, staff, and live environments. With Zac or project manager overseeing every detail, you can expect a seamless process, clear communication, and minimal disruption to daily operations — ensuring your facility looks its best while remaining fully functional.

Every maintenance project is important to us, and we bring the same level of expertise, care, and attention to detail to each one.
