

Sharmina Product 2 – Packaging Design Brief

Product

Double Hydration Boost Gel + HA

This product uses the **Selfnamed** box and label templates that I have uploaded.

Please use **only these templates**.

IMPORTANT

Please use **exactly the same Sharmina brand system** as Product 1.

This is **NOT** a new brand design.

Please use the same:

- logo
- colours
- fonts
- rose illustration
- layout style
- premium luxury appearance

The only difference is that this box is smaller.

OUTER BOX

Front panel

Please use:

SHARMINA

NURTURED BY NATURE

DOUBLE

HYDRATION

BOOST

GEL + HA

HYDRATE

30 ml | 1.01 fl. oz.

Suitable for all skin types

Deeply hydrates & plumps

Please use the same rose illustration as Product 1.

Please keep the same premium layout and spacing.

Brand Story panel

Please use exactly the same Mahya and Maryam story from Product 1.

Do not change any wording.

How to Use

How to Use

Apply 1-2 pumps to clean skin morning and evening.

Follow with your Sharmina moisturiser if desired.

Suitable For

Suitable For

All skin types, especially dehydrated skin.

Barcode

Please place the barcode in the same position as Product 1.

QR code

Please place the QR code in the same position as Product 1.

LABEL

Please use the same design style as Product 1.

Please include:

SHARMINA

NURTURED BY NATURE

DOUBLE HYDRATION BOOST GEL + HA

HYDRATE

30 ml

Please use the same rose illustration.

Please use the same colours.

Please use the same fonts.

IMPORTANT

Please use the Selfnamed template exactly.

Please prepare:

- Selfnamed upload files
- AI source files
- JPG files
- PDF files

No redesign is required.

This product should look like the second product in the Sharmina skincare range.

Thank you.
