

SOLUTIONS FOR GOVERNMENT

Public safety is the primary responsibility of all government organizations. With Watch My License, you can ensure that no employee will operate a vehicle without a valid Florida license. And no manager will ever be caught by surprise.

Watch My License empowers your city, county, or state agency to easily manage driver risk. It puts time-critical information at your fingertips, and demonstrates responsibility that public service demands.

Watch My License will help your government organization improve safety, reduce costs, and avoid negative publicity.
