

Normally, to apply for a subsidized septic upgrade a \$1000 deposit is made by the land owner. PTS will pay for \$500 of this deposit, and will finance the Land Owner for the remaining \$500. This loan will be interest free, and is payable over 12 months. PTS wish to support the community as we head towards a cleaner safer environment. Please note, this offer only applies to PTS and Biorock septic secondary treatment systems. Please fill in the below form and return to PTS store in Arorangi
