

When it comes to your house cleaning concerns, you can always count on National Dusters

Whether you need help one time, bi-weekly, monthly, or daily, we're here to help out wherever and whenever we can.

For the more environmentally friendly households, we also offer Green Cleaning, using eco-friendly products and equipment that your home will thank you for.

National Duster provides full House Cleaning Services to realtors, residential property managers, homeowners and renters in and around Minneapolis and Saint Paul, Minnesota, MN. We are fully insured and proficient in handling our vast array of cleaning products and equipment and if you prefer, we can use your products too! Our pledge to you is that we'll get the job done and get it done right!

At **National Duster LLC**, we understand that every homeowner leads different lives and can't always keep up with the burden of having to clean their house, whether they're too busy, frequently out of town, or just outnumbered by their children! We were designed with the customer in mind!

We make sure that your house is cleaned with attention to even the smallest details. Our cleaners will leave your home, condo, apartment clean and fresh. Just tell us what exactly you want and the job will be done in no time with 100% satisfaction.

National Dusters, we understand that not every household is the same. We don't expect that every one needs the same services done on the same days. Everybody's different and so we are we! That's why we offer very flexible scheduling for all our services.

Our house cleaners are highly motivated and well trained
