About Us

We make planning fun and easy with a web interface that walks you through the timeline of your event, capturing every detail. With our endless music library and mobile internet access, you are guaranteed to hear everything you want.

The DJ Wagon is a Husband and Wife team! Jeremy & Leah Stefanski handle and coordinate everything from planning to execution of each event. Together they provide a personal level of service to create the event you deserve at an affordable price. Contact us today or visit us online to get your event started.

HD Sound

Jeremy Stefanski has been providing tracks for events of all types for

Change the background from Yellow to Red like on the reverse side.

Can you also put a circle of white or a circle gradient behind the logo to make it "pop" out of the red background?
