## Jazzy SELECT ELITE

The Jazzy Select® Elite delivers a reliable blend of power, performance and style. In-line, front-wheel drive technology gives the Elite excellent stability and maneuverability for solid performance indoors and out.

### Features

- In-line, front-wheel drive technology
- 40 amp, PG GC3 controller
- Easy rear access to batteries
- Simple main frame design for easy serviceability
- New comfort high-back seat with headrest
- New Jazzy® Armor™ to protect from daily wear and tear
- 5-year limited warranty on frame; 13-month limited warranty on electronics and drive motors

## Jazzy SELECT

The easily maneuverable, restyled Jazzy Select® is equipped with performance features like Active-Trac® Suspension and in-line motor technology for enhanced efficiency, torque and range for high-performance. With features like a contour high-back seat with a headrest, full length armrests and black, non-scuffing tires with silver rims, the Jazzy Select is a better overall value than ever before.

### Features

- New black, non-scuffing tires with silver rims
- 40 amp, PG GC3 controller
- Larger foot platform
- Easy side access to batteries
- Toolless front panel access to electronics to minimize service time
- Active-Trac® Suspension
- 5-year limited warranty on frame; 13-month limited warranty on electronics and drive motors

## Jazzy SELECT 6

The Jazzy Select® 6 provides maximum front stability, combined with the advantages of in-line motor technology. Active-Trac® Suspension and 6" front and rear casters offer superior performance indoors and out. An impressive selection of standard convenience features make it the easiest power chair to use.

### Features

- 6" casters on front and rear for maximum stability
- In-line motor technology for increased efficiency, torque and range
- Articulating rear caster beam
- Easy access charger port and circuit breaker for convenient serviceability
- 5-year limited warranty on frame; 13-month limited warranty on electronics and drive motors

## Jazzy SELECT 14

The Jazzy Select® 14 Series delivers the advantages of patented mid-wheel drive for maneuvering in tight, compact spaces. The Jazzy Select 14 is loaded with performance and convenience features like a powerful 60 amp controller, larger batteries for greater per-charge range and an on-board battery charger.

### Features

- Patented mid-wheel drive design for tight space maneuverability
- 14" knobby tires and optimum weight distribution provide superior traction
- NF-22 batteries for maximum range
- 5 amp, off-board charger
- 5-year limited warranty on frame; 13-month limited warranty on electronics and drive motors

## Jazzy SELECT 6 ULTRA

The Jazzy Select® 6 Ultra provides the advantages of in-line motor technology, maximum front stability and the environmental access benefits of a standard power elevating seat. These features, along with Active-Trac® Suspension and 6" front and rear casters, make the Jazzy Select 6 Ultra high-performing and easy to use.

### Features

- Standard power elevating seat
- 6" casters on front and rear for maximum stability
- Dual in-line motor technology for enhanced efficiency, torque and range
- Battery access through side panel without removal of the seat
- Toolless front panel access to electronics to minimize service time
- 5-year limited warranty on frame; 13-month limited warranty on electronics and drive motors

## Jazzy SELECT TRAVELLER

The Jazzy Select® Traveller delivers high-performance maneuverability and efficiency in a compact, stylish package. A powerful PG GC2 programmable controller, in-line motors and enhanced battery size are just a few of the features that make the Jazzy Select Traveller an excellent overall value.

### Features

- U-1 batteries for greater per-charge rate
- In-line motor technology for increased torque and efficiency
- Tight turning radius of 22.75" for tight space maneuverability
- Solid tires for worry-free ride
- 5-year limited warranty on frame; 13-month limited warranty on electronics and drive motors
