

TURTLE REEF SANCTUARY

One of your tour highlights will be your visit to the Turtle Reef Sanctuary on Moso Island to see the beautiful, baby **Hawksbill Turtles** that are native to this area.

Your visit helps the Sanctuary continue its vital work to save this endangered species and contributes vital income to nearby **Sunae Village**, where small children will greet you with genuine smiles and open hearts.

TURTLE REEF EXPLORER

Step aboard our brand new boat with relaxed confidence. This 14-metre boat was purpose built to maximize your safety and your underwater viewing experience.

Ice cold drinks are available on board and the Explorer is fitted with Gents and Ladies amenities for your additional comfort.

VENTURE BEYOND PORT VILA AND DISCOVER VANUATU

Relax in air-conditioned comfort as we take you on a journey out of Port Vila, past Efate's villages and waterfalls, into virgin rainforest where you will board Vanuatu's largest glass bottom boat at pristine Havannah Harbour - home to a magical array of coral and sea life including turtles, dugongs and dolphins.

After your underwater viewing experience we will disembark on beautiful Moso Island and visit baby Hawksbill Turtles at the Turtle Reef Sanctuary. During our island stopover, stroll the beautiful beach, swim, snorkel or visit nearby Sunae Village. One thing is certain;

You will feel a million miles from bustling Port Vila.
