

SmarterMeasure™

Learning readiness indicator

The SmarterMeasure Learning Readiness Indicator is a web-based assessment which quantifies a learner's non-cognitive skills, readiness to learn with technology, and external factors that can impact a student's success. Fully hosted and delivered in a custom user interface, SmarterMeasure is a turn-key solution. The six sections measured are:

- Individual Attributes
- Learning Styles
- Life Factors
- Technical Competency & Skills
- On-Screen Reading Rate & Recall
- Typing Speed & Accuracy

SmarterMeasure also has administrative features including the ability to add customized variables, create reports, and view student data at a glance. It is available in a higher education and secondary version suitable for 8th-12th graders.

SmarterMeasure Learning Readiness Indicator

SmarterMeasure is an assessment that measures learner readiness. SmarterMeasure is an indicator of the degree to which distance learning and/or learning in a technology rich environment will be a good fit for you. It will help you prepare to be successful as a student. You are not penalized for guessing on SmarterMeasure, please enter an answer for each question on the assessment. Upon completion of SmarterMeasure you will receive a score report which will not only help you understand your strengths and opportunities for improvement, but will also provide resources to help you succeed. Remember, this assessment is strictly for your benefit. Take the time to rate yourself honestly.
