

Kabul, Kandahar, Aquina, Mazar e Sharif, Hairaton. Our support infrastructure such as a state of the art operations centre in Kabul, five company owned bulk fuel storage facilities and service and maintenance yards in Afghanistan is second to none.

The Dubai office is one of three key operational support offices and addresses all requirements and needs of our Middle Eastern Customers.

Our European Office focuses on the needs of our European Customers and the region specific legal and administrative requirements.

Management of major procurement activities is taken care of by our Turkmenistan branch in Ashgabat.

Petroleum products sourcing and procurement as well as logistics in the black sea region is the core focus of our team based in our Azerbaijan office.
