

Press blast

Powerful way to promote your business in your local press, trade publications and online.

Pressvine is a UK media database provider that has teamed up with Business Report an online digital publisher to offer a unique press blast and editorial service, to help you gain media coverage.

How does it work?

The Business Report editorial team will take a brief from you and prepare a powerful story with a hook editors will love. Don't worry if you don't have images our photographer will visit to do a comprehensive photoshoot to give your story the edge.

Who is my story sent to?

Pressvine provides a researched and tailored list of media contacts who will be interested in publishing your article. This would typically include, regional press in your locality, trade publications that specialise in your sector and specialist websites and blogs that are known to be interested in your type of story.

You are also guaranteed to get your article published on www.businessreport.co.uk and have a free

Price is £950

You will also receive a 10 per cent discount off any future subscriptions of pressvine

What's next ?

We will monitor your press story and send you a list of the publications that the story was sent to.
