GLYCOLIC PEEL \$75 (10minutes)

Ideal for unbalanced, congestion and clogged skin. It helps balance out uneven skin tone, open pores and oily areas of the skin. This treatment is recommended to be done on a fortnightly basis.

AGELESS PEEL \$65 (10minutes)

Ideal for anti-aging, dull, stressed and sun damaged skin. Helps the skin look and feel more nourished and revitalized.

MICRODERMABRASION \$99 (10minutes)

All skin types

This treatment is ideal for skin types that need a deep exfoliation.

It removes dead skin cells, helps minimize open pores, anti-aging, hydrating and it is also customized to the skin's concern.

LED LIGHT THERAPY TREATMENT \$99 (10minutes)

Purple Light

Red and blue light is the dual-band light. It combines both the effectiveness of light therapy, especially useful in treating and repairing acne and acne scars.

Yellow Light

Supply energy for skin cells, promote gland effect, avoid infection, cure skin diseases and enhance immunity ability.

Green Light

Has the effects of neutralization, balancing and calming. It can ease acne, dodge lymph and useful in edema elimination.

Orange Light

Increase cells energy in proper sequence, it can accelerate metabolism effectively.

Laser Light

Penetrates deep layer of skin. Accelerate active tissue's metabolism, decompose splash, improve fine lines and flabby skin.
