*Convenient, Stable & Strong to provide added safety*

*Standard Wheelie Bin*

## Features

*Whether you are a Carpenter, Plumber, Electrician, Fitter, Mechanic, Builder or any other trade, the Wheelie Bin Workbench allows you to take the workbench to the job and not the job to the workbench.*

*Convenient, Stable and strong, it allows you to work much smarter and safer.*

## Accessories

*The typical Trades Person would use the Electrical Power Board, Work lights, Tool holder, Parts tray, Magnetic tool strip Bench Clamp and Storage bins.*
