GARANTIE D'UN AN

A stainless steel hot pot with a lid, filled with various Japanese dishes including sushi, tempura, and dumplings. The hot pot is shown from a top-down perspective, with the lid slightly ajar, revealing the contents. The lid is a flat, circular stainless steel disc. The pot itself is a deep, round stainless steel bowl with a handle on the right side. Inside the pot, there are several compartments. One compartment contains three large, round tempura pieces, likely shrimp or fish. Another compartment contains several pieces of sushi, including what looks like salmon nigiri and some maki rolls. There are also some green vegetables and other small items. The background is a solid orange color.
