By purchasing or downloading any Logos made by logotypemaker.com, you agree to the following:

### License type:

This is a site license. You may use the Logos in any number of projects within one company at one location.

### Ownership:

All of the Logos remain the property of logotypemaker.com.

You may not license, sub license, re-sell, rent or redistribute Logos which are not in use by distributed product, application or website. That is also applies to derived or modified images from the Logos.

You should protect the Logos from being used by third parties that could potentially break the terms of this agreement.

### Fees:

You only pay once when you purchase the Logos. You don't have to purchase additional license to use the Logos in any number of your projects until you follow the terms of this agreement.

### As is:

All Logo files are provided "As is." By purchasing any of the Logos you agree to hold logotypemaker.com harmless for any damage that may occur during to use or inability to use them.

Abiding the law:

If your country law restricts any point of this agreement then this point is to be neglected. But no limitation of this agreement can be cancelled and no additional rights except for listed in this agreement can be given to you with your country law application. Otherwise you should forbear to purchase the Logos.

Obscurities:

If any part of this license agreement is not clear to you, or you are not sure whether your actions meet the terms of the agreement, please send your questions to [logotypemaker.com@gmail.com](mailto:logotypemaker.com@gmail.com)
