

Enter the world of Tagger and get ready to run. There's money up for grabs – lots of it – but you'd better watch your back! The aim is simple – get to a money stash first, claim the prize and take it home. Easy? NO WAY! Once you've got cash everyone will be out to get you. Whether you jump on a zip line, banish opponents to the other side of the board or simply hightail it, there's no guarantees in this game. Set on a sun-drenched tropical island, you'll be quickly ensnared by Tagger's exciting mix of strategy, humour and plain old dumb luck. It's a battle of wits to see if you can hang onto the dough and make it back to the Safety Zone, the only place you'll ever feel safe in Tagger.
