

QCost Consultants

Chartered Quantity Surveyors

Testimonials:

"QCost Consultants have been engaged by FDC Construction and Fitout on a number of occasions to assist with the preparation of BOQ's and preparing high level budgets based on early concept plans.

I have found Jay to be honest, reliable and very thorough in all our dealings. All deadlines have been met on every occasion. I would not hesitate in recommending QCost Consultants"

*Joe Taouk, Projects Director
FDC Construction*

QCost Consultants have been engaged to provide Quantity Surveying services on our projects and we are extremely satisfied with their work, which was carried out in a timely manner. Above all we liked their professional approach and presentation of the reports as undertaken on our projects.

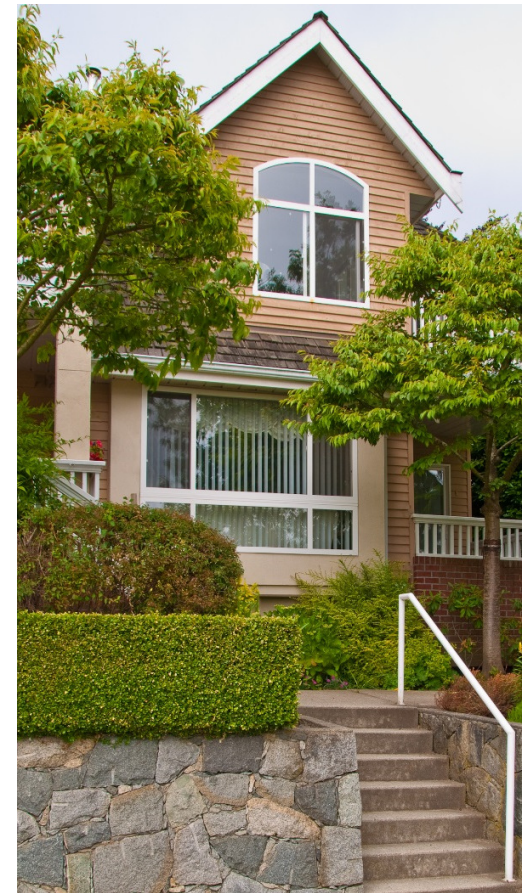

We would recommend them to anyone requiring a quantity surveying service"

"QCost Consultants acted professionally, responded promptly and delivered on time to suit my time frame. QCost Consultants know their job, and they know it very well.

I highly recommend QCost Consultants to anybody who seeks Quantity Surveying services"

- Kaissar Ekde (Owner, Developer)

Introducing QCost Consultants

QCost Consultants is a firm of well experienced and professionally qualified Chartered Quantity Surveyors.

We work collaboratively with our clients to provide best quality services in an efficient and cost-effective manner.

Our fields of business

- Quantity Surveying
- Construction Cost Management
- Tax Depreciation Consultancy

Our history

QCost Consultants was founded in 2005 as a "sole trader" practice in New South Wales, and incorporated in 2011 as an Australian proprietary company to provide quantity surveying professional services across Australia.

Our specialist services

- Cost Planning, Estimating (budget estimates, elemental cost plans, detailed cost plans, life cycle cost assessments)
- Contract Administration (valuations, cost audit, variations, claims advice)
- Tenders, Bills of Quantities (preparation of bills of quantities, tender documentation. tender evaluation and reporting)
- Tax Advisory (tax depreciation / capital allowance schedules)
- Facilities Management, Insurance (sinking fund forecast, replacement cost estimates)
- Cost Analysis (elemental cost analysis, database management)

We are keen on secondments

Where necessary, we work from our client's offices to deliver our services efficiently. We have qualified and experienced staff for our clients to select from.

We are proud members of

- Australian Institute of Quantity Surveyors (AIQS)
- Royal Institution of Chartered Surveyors (RICS)
- Chartered Institute of Building (CIOB)
- Tax Practitioners Board Australia (TPB)

What you can expect from us

- High quality bespoke services provided by well experienced and professionally qualified staff.
- Competitive fees, savings to you; our clients.
- Turnaround time aligned to our client's schedule.
- We work collaboratively with our clients to achieve the best outcomes.
