

Additional logo design information

Example logo #1: Nice clean and natural feel. Remember though, logo shouldn't include mountains.

Example logo #2: This is a nice 3 element logo. A three element logo should include elements for land, water, and people. Remember though, logo shouldn't include animals (for example, birds or fish)

Example logo #3: Another nice clean logo

Location of the cooperative: This area includes the ocean, beaches, rivers, and forests in a mostly flat area of the Southeast United States. There are many pine and oak trees in the area.
