Liberty Call Distilling's San Diego Co.
White Rum is made very simply.

We use pure sugar cane juice, a unique
yeast strain, and specially filtered water
to create a clean, delicious Rum.

This unrefined sugar source allows us
to produce a rum that has the sweet,
caramel flavors that can be enjoyed neat
or in a cocktail. Twice distilled in our
Pot Still, we take only the very best hearts
of the distillation. The result? A Rum
almost as classy as San Diego itself.
