

## Peace of Mind

"Accurate Precious Metals Refineries Inc. is the most accommodating refineries I have ever dealt with...and never any unexpected charges or hidden fees. They call me if my scrap lot has any surprises; I don't like surprises. With Accurate PMR I get the most out of my precious metals, fast turn around and competent personal service."

"We have been doing business with Accurate Precious Metals Refineries for over a year or so, and have been very pleased with the honesty and fair pricing that the company has given to us. The facility that they provide is very friendly and safe. You can view your refining if you wish and see the process done from start to finish. They are very fast and very reliable, and we like doing business with them."

## Personal Relationship

Accurate PMR strives to build a personal relationship with our clients. By gaining your confidence and giving consistent accurate results; we will work diligently to earn your trust. Ensuring our clients complete satisfaction is our number one goal.

Most Refineries are set up to work on precious metals behind closed doors. Here at Accurate PMR We not only invite you to come witness your lot being melted; we encourage it. We have a waiting area with bullet proof windows for you to witness the melting as its taking place.

Trust: It can only be earned, give us the opportunity to serve you.
